

THE CONSUMPTION OF MARIJUANA IS PROHIBITED ON LIQUOR-LICENSED PREMISES IN COLORADO.

Sections 14 and 16 of Article XVIII of the Constitution of Colorado do not permit open and public consumption of marijuana and the State Liquor Licensing Authority deems liquor licensed premises to be public places:

“No person or entity licensed under Article 3, 4, or 5 of Title 44, C.R.S. shall permit the consumption of marijuana and/or marijuana products as defined in sections 14 and 16 of Article XVIII of the Constitution of Colorado on any licensed premises.”
